To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

The 26th of November is set apart by President Johnson as a day of National Thanksgiving. The day is well appointed, for by that time the people will have given their vote for Grant and Peace, and the nation will have cause to express their gratitude.

SOME PUMPKINS.—Mr. H. M. Stone, of Swanton, raised from one pumpkin seed this year 10 pumpkins which weighed as follows: 33, 37, 33, 30, 33, 26, 34, 38, 30, 20. Total, 316 lbs. Who can beat it.

GONE TO THE SHADES.—Officer Ball, left on the mail train this morning with Henry Haekey, Merritt Leonard and John Daily, prisoners, for Windsor prison. These men were sentenced by Judge Wilson, last Friday.

VERMONT & CANADA RAILROAD.—At the annual meeting of the Vermont & Canada Railroad, held at St. Albans, Oct. 15th, the following board of directors were chosen:

Worthington C. Smith, St. Albans; John Porter, Hartford; Edward Blake, Boston; Samuel Atherton, Boston; John W. Newton, St. Albans; Jed P. Clark, Milton; B. P. Cheney, Boston.

Hon. W. C. Smith was re-elected President, and John W. Newton Clerk and Treasurer.

SUPREME COURT.—A General Term of the Supreme Court of the State of Vermont has been ordered to be held at Montpelier on the first Tuesday in November next.

ACCEPTED.—The resignation of Rev. Norman Seaver, D. D., as pastor of the Congregational Church of Rutland, has been accepted, and a committee appointed to make arrangements for a council to dissolve his ecclesiastical connection with the church.

SHOT IN RUTLAND.—A young Frenchman about 20 years of age, Girard by name, living with his father on East street, after his father, had retired to bed, harnessed up the old gentleman's horse, and with two or three boon companions, started on an expedition to some house out of town a short distance. Young Girard tried the door, but could not gain an entrance. He then went to the window and broke a couple of panes of glass, when the click of a gun was heard, and his companions tried to get him off, and started to run. Young Girard did not leave with them, and he was shot, exclaiming, "I am killed." He was helped into the wagon by his companions, and brought home. He was shot through the left lung, one ball going entirely through, and two others lodging in his chest. He was shot about 11 p. m., on Thursday, and lived until 1 a. m., Friday morning.—Herald.

THE PEAK FAMILY.—The Peak Family of Swiss Bell Ringers, will give one of their inimitable exhibitions at Academy Hall, on Tuesday evening next. This company and their performances are too well known in this community, to require anything more than a brief notice to insure a full house, when they arrive. Here is what the Rutland Herald says:

The concert by the Peak Family last evening at the Town Hall, was a fine affair. The audience was a large one, and composed of our best and most worthy citizens, who, by their strict attention and quietness, gave the best evidence of what the performance was. The players, in all their parts, exhibited a true artistic skill, and were repeatedly encoored by the audience.

THE LEGISLATURE.—The election of United States Senator will take place to-morrow in Joint Assembly. There is no doubt about the re-election of Hon. George F. Edmunds, by a unanimous vote of the Republican members; no other candidate having thus far been urged for the position.

FINES AND PENALTIES.—We understand that Mrs. Dillon, of this town, has recently been fined \$1,500 by the U. S. Court, for aiding and abetting smuggling, and for trafficking in smuggled liquor.

BURLINGTON LUMBER BUSINESS.—The Hunterstown Lumber Company, which commenced business in Burlington, in May 1855, and of which Mr. Henry Rolfe has been the local agent, has sold out to Mr. Otis Shepard and George B. James, of Boston, who take possession the first of May next. Their first years sales of lumber amounted to 2,000,000 feet, high increased from year to year until their sales last year amounted to 9,000,000 feet. The capital stock of the company is \$150,000 for which Messrs. Shepard & James paid about \$175,000 in gold. The business will be continued at Burlington.

A FAST YOUNG LADY.—On Saturday last, a fast young woman, well dressed, and about twenty years of age, appeared at the store of Breck & Wetherbee, in this village and represented herself to be one Jennie Robinson, a niece of Erastus Jewett, Esq., a well known citizen of Swanton, with whom she lived, and from whom she had a verbal order to purchase a bill of goods. Upon investigation, and believing her story, Mr. Wetherbee sold her a bill of goods amounting to \$30. The young lady, thereupon, procured a team and driver from the Messrs. Fuller to take her to Mr. Jewett's, but she drove to the house beyond, stopped a short time and there took to the lots and through the swamps west to the county road. Mr. W. S. Bailey, who is in the employ of Messrs. B. & W., with officer Morrill, of Swanton, called upon her at her father's residence on Sunday, but she stoutly denied having been to St. Albans, or having made any purchases. Thorough search was made through the house, without success, and it was not till after the officer had her some distance towards the county jail that she would disclose. The goods were found nicely stowed away in a satchel under the hay in the corner of her father's barn. The fast young woman is now in jail. This reminds us of the story of the "Maid and the Milk Pail;" only it is a little hard on the maid.

LENGTHY BEARD.—The Brattleboro Record has the following item: "A man in this village, who had not shaved for about seven years, recently had his beard taken off. It measured three feet and six inches in length! What a beautiful old Grecian bender bustle that would make for some silly woman."

The gentleman spoken of above does not happen to live in Brattleboro, and also, is very indignant that any one should think of appropriating his beard to any such purpose.

HORRIBLE.—As a lady, residing at Hoosic Falls, N. Y., was removing some dresses from a clothes closet in her house, a few evenings ago, a large black snake dropped from the folds of one of the dresses and wound its horrible and slinky length around her arm, raised its head and thrust out its bifurcated tongue. The lady was almost paralyzed with fright. Her outcries soon brought other members of the family, who despatched the monster.

President Wade, of the Senate, and Speaker Colfax, of the House of Representatives, adjourned their respective branches of Congress on Friday, until November 10. Only four Senators and eleven Representatives were present, and it is not expected that there will be any session until the regular one opens in December.

THE RESULTS OF THE ELECTION.—We lose seven Representatives to Congress according to the latest returns, two in Pennsylvania, four in Ohio and one in Indiana. We gain a U. S. Senator in Pennsylvania, in place of Buckalew, and one in place of Hendricks, in Indiana. From Indiana the latest is the following:

WASHINGTON, Oct. 16.—Voorhees has telegraphed here that he is elected to Congress by one hundred majority, and Mr. Hendricks is defeated for Governor of Indiana by probably one thousand votes.

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S Improved (new style) HAIR RESTORER or DRESSING, (in one bottle.) Price One Dollar. Every Druggist sells it.

MUSICAL INSTRUMENTS.—The piano forte has long been the popular home and concert instrument, yet in point of swelling and sustaining the tones is extremely defective. On account of this deficiency, music written in chords, or in a connected style, cannot be satisfactorily executed, as the long notes result in diminuendos where they should be sustained. The taste for the Organ and orchestral style of music will supersede the present piano compositions. There are no instruments capable of such fine expressions in this style of music as the AMERICAN ORGANS, manufactured by Messrs. S. D. & H. W. Smith, of Boston. Their delicacy and variety in the voicing renders them susceptible of beautiful orchestral effects, by the skillful use of the tremolo and the improved knee swell while the deep manual sub-bass which is added to the new styles, gives the closest resemblance to the pipe organ.—Boston Journal.

IRON IN THE BLOOD.—When the blood is well supplied with its iron element, we feel vigorous and full of animation. Is an insufficiency of this vital element that makes us feel weak and low spirited; all such, by taking the Peruvian Syrup, (a protoxide of Iron) can supply this deficiency, and will be wonderfully invigorated.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

Severe pain will not get out of fashion yet for a long time, and so long, people will need a good remedy—Rennie's Pain Killing Magic Oil is just what the people need, to cure headache, rheumatic, neuralgia, and other painful complaints. d&w

Bogus certificates, manufactured to order, are often published in praise of some worthless hair preparation. "Barrett's Vegetable Hair Restorative" does not need to resort to such means, for its merits are too well known and appreciated.—N. Y. Sunday Dispatch. d&w
